### PHOTOGRAPH REQUIREMENTS FOR PASSPORT APPLICANTS

The head of the person being photographed should not be tilted up, down or to the side. It should cover about 50% of the area of the photo.
- ✓ The photo should show a clear, front view of the customer, on a white or light plain background.
- ✓ The customer should be in normal street attire, without a hat.
- ✓ Glasses, but not sunglasses, may be worn.
- ✓ Uniforms may only be worn if part of religious attire that is worn daily.

**LIST OF PHOTOGRAPHERS**

The photographers listed below are considered reliable. The consulate cannot, however, assume responsibility for their ability and integrity. A clear understanding should be reached between the purchaser and the photographer regarding the nature of the services, the price and the delivery time, before the start of the photographic operations. **Specify that you want photographs for an American passport** since photographers make various sized photographs.
